

Service Hours Information

Calculating Community Service (Hands On) Hours:

Service – One member performing one hour of hands on community service work = 1 service hour

Examples: working in nursing home, staffing crisis center phone hotlines, highway litter pick up, hospital volunteer, tutoring, Big Brother/Sisters program, etc.

CHAPTER'S TOTAL HOURS COMPLETED = _____ Service Hours

Participating Member Information (Attach additional sheets if necessary)

Date	Name	SAU ID	Time In	Time Out	Total Time

**Note: *Community Service WILL NOT count without this time sheet filled out in its entirety on location.
 *The Greek Life office must be notified of any services lasting over 10 days.**
